

'SPLAT'

A Bunnies Adventure

'Splat' - "A Bunnies Adventure" takes the audience on the ride of their life with a celebration of easter. Splat lives in the outback and has been preparing Australia's easter eggs for the easter bunny. He discovers that one egg, the most important and magical egg has disappeared. In a panic he goes to the easter bunnies magical secretary who can make things reappear. A show filled with fast paced circus tricks and magic that mystifies even the easter bunny himself.
